Hunger Games Article Jigsaw

Please get into
groups of at
least five...

5 Article Sections —>
One section per person

Objective: To collaboratively learn about how Suzanne Collins' The Hunger Games is influenced by various historical, literary, and cultural elements.

Step 1: Use a page in your notebook and create the grid below.

	Latin Terms and English Meaning	Mythology Info (Literature Titles, Author Names)	Historical Details (Dates, Events)	Cultural/ Social Elements
Diana				
Theseus				
Grain Imagery				
Imperial Rome				
Bread & Circus				

Objective: To collaboratively learn about how Suzanne Collins' The Hunger Games is influenced by various historical, literary, and cultural elements.

Step 2: Each person in the group...

- will **QUIETLY** and **ACTIVELY** read his/her section of the article.
- will fill in the grid with notes relating to each topic heading.

Objective: To collaboratively learn about how Suzanne Collins' *The Hunger Games* is influenced by various historical, literary, and cultural elements.

Step 3: Sharing is Caring. :-)

- Each person in the group...
- will now share and jigsaw the information to fill in the grid

Objective: To collaboratively learn about how Suzanne Collins' The Hunger Games is influenced by various historical, literary, and cultural elements.

Step 4: For Homework...

View Prezi (see website for link) about Katniss and Theseus

Write a reflective paragraph on left-hand side of your notebook in which you ponder the following:

Considering her accomplishments and character traits, does the world need more people like Katniss? Why or why not?

Objective: To collaboratively learn about how Suzanne Collins' The Hunger Games is influenced by various historical, literary, and cultural elements.
