	Binder List as of April 2015
NOMEN:	

You will use class time to make sure that you have the following items in your binder. Please note that you may find other items in your binder that are not on this list; while those items are important, they are not required. If you do not have an item in your binder for one reason or another, it is your responsibility (and this is your chance!) to get it. Most worksheets are available for download on the website. If you do not download the worksheet, then you need to ask a classmate to let you COPY OUT by hand whatever is on the worksheet onto a sheet of paper.
